DIAMOND DOTZ® SQUARES Facet Art Kits

INTRODUCTION

Dear valued customer

It is with great pride that we announce our very own and unique range of DIAMOND DOTZ® SQUARES diamond painting kits.

We have responded to so many consumers who constantly request square diamond designs but with the design expertise and quality of DIAMOND DOTZ®.

This range of beautiful and sophisticated designs feature our exclusive and patented 9 facet 2.6mm square facet.

This beautifully engineered facet provides a reliable luxury finish which sparkles more than the existing generic dotz available in the market today.

We have applied the same safety standards as our other products which our customers have come to expect and appreciate so much.

All our designs are all over designs (full drill) and we offer a pre-framed option for those who don't want to worry about framing their project afterwards.

We are excited to offer this new range of products to the market and we look forward to receiving your feedback and comments.

Thank you for your support and recognition of Diamond Dotz® as the number one diamond painting company in the World.

Best wishes and Happy Dotting from all the Team at DD.

INTRODUCTION

Cher client,

Nous sommes très fiers et heureux de vous annoncer le lancement de notre nouvelle gamme de broderie diamant, DIAMOND DOTZ® SQUARES.

Nous avons souhaité satisfaire ainsi l'attente de nombreux consommateurs qui nous demandaient constamment des diamants carrés, tout en leur apportant l'expertise de conception et la qualité DIAMOND DOTZ®.

Cette nouvelle collection de dessins magnifiques et sophistiqués se réalise avec un diamant carré 2.6 mm exclusif et breveté.

Ce diamant à 9 facettes, magnifiquement conçu, bénéficie d'une finition de luxe et brille plus que le strass générique qui était jusqu'à présent disponible sur le marché.

Comme pour nos autres produits, ces articles répondent aux normes de sécurité. Une garantie que nos clients apprécient et recherchent tant !

Les dessins recouvrent l'ensemble de la toile. Nous offrons également une option avec encadrement pour tous ceux qui le souhaitent. Fini le souci de trouver un cadre à la bonne dimension.

Nous sommes ravis de proposer à la vente cette nouvelle collection et sommes impatients de recevoir vos retours et commentaires.

A tous : merci infiniment pour votre soutien et votre enthousiasme qui font aujourd'hui de Diamond Dotz® la marque leader du Diamond Painting (broderie diamant) dans le monde entier !

Tous nos vœux de réussite et Joyeux Dotting, de la part de toute l'équipe de DD.
